

Bray Sailing Club Junior Committee Application Form 2019

What is the Junior Committee?

The Junior Committee will be made up of Junior members, our Children's Officers and our Senior Instructor. The main role of the committee is to be the voice of the Juniors in BSC.

Being part of the Junior Committee is a fantastic opportunity for you to experience what it is like to represent your fellow Junior members and to provide a voice for your peers. Ideally, we would have representatives across **ALL** sailing levels (Start Sailing to Level 4).

There are a number of projects and discussion points for our Junior Committee, but it will be largely led by our Junior members.

What is required to join the Junior Committee?

- Minimum age of 10 (on May 1st, 2019)
- Attend a number of meetings in BSC clubhouse with fellow committee members prior to the commencement of Junior Training
- A number of check-up meetings throughout the course of Junior Training
- Parental consent (signed at the bottom of this form)
- A positive attitude and be able to lead by example

How will the Junior Committee be decided upon?

- There will be **up to eight positions** available on the Junior Committee
- Applications will be taken from those who are interested in being part of the Junior Committee
- Should we be oversubscribed with candidates, a decision will be made by the Children's Officers and Senior Instructor on who will sit on the committee by the following criteria:
 - Where possible, there must be at least one representative from each level on the Junior Committee (i.e. one from Start Sailing, one from Basic Skills, etc.)
 - Level of activity within the club outside of Junior Training (i.e. club racing, Pico Club, etc.)
 - Any other relevant experience

Please fill in your details below:

Personal Details	
Name	
Date of Birth	
Sailing Level	
Parent's Phone Number	
Parent's Email Address	
Experience and Ideas	
Relevant Experience (i.e. student council, other clubs, etc.)	
Do you have any initial ideas on how we could improve Junior Training or new ideas of things we could do?
